

Ways to safely shop the 2020 Holiday Open House

1. Shop Inside (Face masks are still required, so please be sure that you are wearing one before entering the building. We will be limiting the number of guests that we allow in the salon at a time, so please be patient if you are required to wait outside.)

2. Pre-Order & Pick up
 - Call Shapers (989-793-3771) or Don Angelos Salon (989-316-2002) to place your pre-order a head of time.
 - Let us know what products you would like to purchase from the selection that is available on our website.
 - A down payment will be required for all pre-orders taken over the phone ahead of time. Down payment amount will equal 75% of your total purchase amount (Credit/Debit Card). The balance of your purchase will be due upon pick up.
 - Pick up of pre-orders will take place on Friday, November 20th and Saturday, November 21st **ONLY** during normal business hours. Please be prepared to pay the balance on your purchase once you arrive.
 - Pre-orders **WILL NOT** be held past Friday, November 20th and Saturday, November 21st. Any orders not picked up during this time will forfeit the down payment that was received.

3. Curbside Ordering & Pickup
 - Drive to your desired salon and park in one of the spots reserved for curbside ordering **ONLY**.
 - Call the salon once you arrive and an associate will come out to take your product order.
 - Once your order is filled and complete, an associate will return with your products and total to collect final payment.

Cash, check, or credit card will be accepted as final payment for all these shopping options
